

## **How can I access my school files from home?**

The school's portal and intranet home page is called 'RM Unify'. It is available for both students and staff for accessing school resources from home. It provides links to web based systems and can automatically 'Single-sign-on' users to Office 365 - Where you can find your user area (One drive) and shared resources from teachers. There are also other links that will support teaching and learning such as GCSE Pod and My Maths.
